COACHES - CALL FOR DETAILS ON OPEN/TEAM CAMPS

## SAFETY AND SECURITY

We realize an important concern of all parents is the safety and security of their children. At our camps the campers are not allowed to leave the facility or immediate area in which the camp is being conducted. All field, educational, and recreational activities are monitored by our staff. A staff member with first aid training will be present at all sessions. Should there be reason, we will not hesitate to seek the appropriate medical treatment for any camper.
