

# West Houston Soccer Club

The West Houston Soccer Club (WHSC) is a non-profit organization that has provided boys and girls from 4 to 18 years old an opportunity to play soccer since 1976. Our mission is to offer, "All levels of play, for all levels of players!" Our kids and their families come from the areas surrounding West Oaks Mall and George Bush Park; including West Houston, Alief, Mission Bend, Katy and Fort Bend County, including Richmond.

Your tax-deductible contribution is the major source of our Financial Assistance Program, which supplies scholarships to children who would not be able to participate without financial help; along with helping defray our operating costs, which allows us to keep our registration fees low. In addition, parts of your donation will be made available to your sponsored teams for soccer related events such as tournaments and team parties. A single entity that provides a donation of at least \$100.00 will receive a great team picture plaque that you will be proud to display at your place of business or in a den or office. All sponsors will have their names prominently displayed on the club's website with a link from our site to yours (if applicable).

Please consider donating to the teams requesting your help. The West Houston Soccer Club has been helping kids learn and enjoy the game of soccer for 30 years now. Coaches, parents and friends of the game have dedicated countless hours to this program. In addition to teaching soccer and the introduction of good, healthy physical activity; we also help instill life lessons in these kids, such as the concepts of good sportsmanship, respect for authority and opponents, proper ways to handle winning and losing and so much more. Most importantly, they simply have fun playing the game. Please be a part of this great experience for these kids.
